Pine Trail Elementary  
February 3, 2016

**We welcome your ideas.** Help us modernize our school mascot, Pioneers. Rally your pioneering spirit and consider leaving the wagon wheel behind.

Send ideas to: [pioneerpostnewsletter@gmail.com](mailto:pioneerpostnewsletter@gmail.com)

**Shoparoo** is a free app, iPhone & Android. It turns a picture of your receipt into a cash donation for our school. See how it works at [www.shoparoo.com/howitworks](http://www.shoparoo.com/howitworks) and help us help your children at school every day. Use receipts from groceries, restaurants, etc. Invite a friend & Shoparoo donates a bonus for every friend who submits a receipt.

## VOLUNTEER OF THE MONTH

## Box Tops earn our school cash!

March 2015 to November 2015 you collected box tops earning our school over \$2200. Keep it up: clip, save, & send in! **Next deadline is Feb. 12**

Pine Trail pioneers the way for sun safety at school. Skin cancer is epidemic in the U.S., so imagine Florida. The journal, Cancer epidemiology, biomarkers & prevention, stresses the epidemic ([cebp.aacrjournals.org](http://cebp.aacrjournals.org)). Our school welcomes sun smart behaviors. The Skin Cancer Foundation reported "our challenge is to empower new generations to protect their skin health, leading to a future ...with fewer skin cancers". Show off your sun smarts at school: use the sun shade structure at PE & recess, use sunglasses, hats, & sunscreen.

## TALENT SHOW

**Thursday, March 17** - There is no school Friday 3/18/16. Let's showcase! Teachers, classrooms, groups, and individuals are welcome to perform talents, skits, etc. Contact Mrs. Kayyal in the Media Center.

## Notes from Nurse Janis... It's bug season:

Flu, stomach, & lice! Teach & empower handwashing, 'cover your cough', & hair hygiene. Be proactive: Check your child's head with grooming. Signs include scratching at the back of the neck, dandruff like flakes 'glued' near the base of the hair at the scalp. **Questions? contact the clinic: 258-4672 X 51398**
